Newsletter #1-2009

6 January 2009

Thank-you Message from the President

Dear Fellows, Members, Inceptors and Affiliates,

On behalf of the Organising Committee and the College Council, I would like to thank all of you for supporting and participating in the First Joint Conference of the Hong Kong College of Psychiatrists and the Royal College of Psychiatrists held on 13-15 December 2008. I think you would all agree with me that the conference was a resounding success. It was attended by more than 450 delegates from around the world. Apart from consolidating our longstanding collaborative relationship with the Royal College of Psychiatrists, we have successfully built up many useful alliances with our counterparts in China, Taiwan, Macau as well as other Asian countries. We have also made use of this special occasion to start discussion on Special Interest Groups in preparation of subspecialty development. We are happy to report that this meeting was attended by many of you and much fruitful discussion had ensued as a result of your support.

I would like to take this opportunity to thank the Organising Committee, in particular Prof. Linda Lam, Dr. WC Chan and Dr. Roger Ng, whose tireless effort and attention to details were crucial in ensuring the success of this conference. I would like to thank the Scientific Committee for securing for the conference speakers of the highest quality while at the same time, ensuring adequate representation of local research work. I would also like to thank Prof. Sandra Chan, Prof. Veronica Pearson and the College's two executive staff, Miss Sabrina Hung and Miss Lucita Chan, for painstakingly editing the abstract book. Last but not least, I would like to thank all our helpers, which made up of young trainees, interns and medical students interested in psychiatry, without whom life would have been much more difficult during the conference.

Thank you once again.

Dr S F Hung,
President,
